

HOW TO GET STARTED?

Regional Consultations on Meaningful Youth Engagement in NDCs

Step 1

Learn what Nationally Determined Contributions (NDCs) are:

 **The NDCs** are **national climate action plans** submitted by each country under the **Paris Agreement**. They outline how a country plans to cut emissions and adapt to climate change.

Scan the QR code to learn more about the NDCs

Step 2

Identify Gaps & Opportunities! Start by asking yourself:

-  What are the biggest climate issues youth face in your country & region?
-  Are youth priorities reflected in NDCs?
-  What's stopping young people from engaging in NDC processes?

Step 3

Join the discussion & share your perspective!
